Sanitary Requirements

This is a vetted show. No kittens under 4 months of age will be allowed in the show hall. It is strongly advised that all cats or kittens entered or present in the show hall are inoculated before entry by a licensed veterinarian against feline Panleukopenia (formely known as feline distemper or feline infectious enteritis), feline rhinotracheitis, calici viruses and rabies ; and microchip. Under current CFA show rules, show management reserves the right to have any cat showing signs of illness, disease or parasites removed from the show hall, in order to protect other cats in the show. All claws must be clipped prior to benching. De-clawed cats are not eligible for entry. Conclusion of veterinary is final.
